

SPEAKER PROFILES

Session 1: Embracing Multipolar Partnerships

Tushar R. Phadnis | Counsellor (Space) and ISRO Technical Liason Office, Embassy of India, Paris

In 2020, Tushar Phadbus was appointed as Technical Liaison Officer at ISRO Technical Liaison Units in Paris. Before this, he was serving as Scientist (Engineer – SF) at Vikram Sarabhai Space Centre (VSSC), Thiruvananthapuram.

Didier Schmitt | Strategy and Coordination Group Leader for Human and Robotic Exploration, ESA

Didier Schmitt is coordinator for human and robotic exploration at the European Space Agency. Previously he was member of the Space Task Force at the European External Action Service – EU Diplomatic Service, seconded by ESA (2014-2018). Scientific adviser and foresight coordinator in the Bureau of European Policy Advisers to the President of the European Commission (2012-14), and member of the Space Policy Unit at the European Commission (2009-12), seconded by ESA.

Patrick Besha | Senior Policy Advisor, NASA

Patrick Besha is a senior policy advisor in the Office of Technology, Policy, and Strategy (Office of the Administrator) at NASA Headquarters. He provides expert analysis and directs research studies on a variety of topics, with recent efforts focused on space sustainability and orbital debris, planetary defense strategy, the U.S. space industrial base, and assessments of global space programs.

Shahrzad Larger | VP Strategic Account ESA, Thales Alenia Space

Shahrzad holds a Master degree in Aerospace delivered by Sup'Aero Engineering School in Toulouse in 1994. She has extensive experience in both European institutions (ESA, CNES, European Commission Joint Undertaking) and industry (Thales Alenia Space, ArianeGroup, AIRBUS, ERTICO). After working in launcher and satellite fields as business developer, project manager and programme director, Shahrzad is presently in charge of the ESA Strategic account and delivery of complex sales for Thales Alenia Space.

Emmanuelle Méric | General Manager, Loft Orbital

Emmanuelle Méric currently holds the position of General Manager for Europe at Loft Orbital. She brings a wealth of experience in the technology and finance sectors as well as an entrepreneurial mindset to her current role. After graduating from Ecole Polytechnique and ENSAE Paris with degrees in statistics, economics, and finance, Ms. Méric commenced her career in the FinTech industry.

Julien-Alexandre Lamamy | CEO, ispace Europe

Dr. Julien-Alexandre Lamamy is the CEO of ispace Europe. He has over 15 years of professional experience in space engineering working at the MIT Space Systems Laboratory, Jet Propulsion Laboratory, Orbital ATK, and ispace Europe. He has contributed to seven flight projects covering earth observation, astrophysics, and planetary exploration.
